

Introducing our new interactive toddler play group for carers with babies and toddlers:

Twinkle Tots

Welcoming you with open arms to our creative Monday morning group at St. Peter's Church Hall on Moor Lane, Harton.

Designed to encourage your little one to explore and play with you by their side. With sensory, messy craft, stories and play.

This group is structured for you and your little ones to move through the session with fun and ease which will be...

9:30am Arrive and enjoy some free play with a selection of toys that will be rotated while us big humans grab a quick cuppa.

10.15am Children move through to our separate room and enjoy a little snack of fruit (let us know of any dietary intolerances ahead of your arrival).

10.30am It's story time. We will make a story an adventure with puppets and interactive questions. The books will be a mixture of religious and non-religious stories from Noah's Ark to The Very Hungry Caterpillar.

10.45am We move back into the main hall where we will have transformed the play area to 3 craft stations for the little ones to enjoy and get messy!! One craft will be based on the story just read, while one will be on what is happening soon, like Father's Day, Easter, or Christmas and the final one will be a great messy sensory experience, so don't come in Sunday best clothes!!

11.15am We will move the tables to the side and warm up our vocal pipes with a singalong. Singing all the greats from sleeping bunnies to hokey cokey to if I were a butterfly and He's got the whole world in his hands.

We will end the session at 11.25 with a goodbye song and bubbles to take us to 11.30am where hopefully your little one will be happy and sleepy after a morning of play and fun with you.

We are a church group, and do not make a charge for attendance at Twinkle Tots but we would ask for a donation of £1 per family to help with craft supplies and snacks.

We are run by volunteers so you are fully responsible for the child/ren you bring to this group and as this is an interactive play group you will be expected to take part with your little one in the activities.

Volunteers for crafts and snack-making are welcome!
